

IL3 Receptor beta antibody [N1N3]

Cat. No. GTX104118

Host	Rabbit
Clonality	Polyclonal
Isotype	IgG
Application	WB, FACS
Reactivity	Human

APPLICATION

Application Note

*Optimal dilutions/concentrations should be determined by the researcher.

Suggested dilution	Recommended dilution
WB	1:500-1:3000
FACS	Assay dependent
Nathantal Carthur and Carthur	

Not tested in other applications.

Calculated MW 97 kDa. (Note)

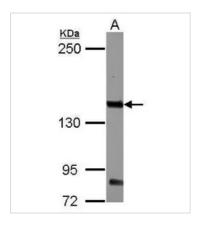

long-term storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles. Concentration 1 mg/ml (Please refer to the vial label for the specific concentration.) Recombinant protein encompassing a sequence within the center region of human IL3 Receptor beta. The exact sequence proprietary. Purification Purified by antigen-affinity chromatography. Conjugation Unconjugated For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal of human consumption.		
Buffer 0.1M Tris-Glycine (pH7), 10% Glycerol Preservative 0.01% Thimerosal Storage Storage Storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles. Concentration 1 mg/ml (Please refer to the vial label for the specific concentration.) Immunogen Recombinant protein encompassing a sequence within the center region of human IL3 Receptor beta. The exact sequence proprietary. Purification Purified by antigen-affinity chromatography. Conjugation Unconjugated For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal of human consumption.	PROPERTIES	
Preservative 0.01% Thimerosal Storage Storage Store as concentrated solution. Centrifuge briefly prior to opening vial. For short-term storage (1-2 weeks), store at 4°C. For long-term storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles. Concentration 1 mg/ml (Please refer to the vial label for the specific concentration.) Immunogen Recombinant protein encompassing a sequence within the center region of human IL3 Receptor beta. The exact sequence proprietary. Purification Purified by antigen-affinity chromatography. Conjugation Unconjugated For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal of human consumption.	Form	Liquid
Storage Storage Store as concentrated solution. Centrifuge briefly prior to opening vial. For short-term storage (1-2 weeks), store at 4°C. For long-term storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles. Concentration 1 mg/ml (Please refer to the vial label for the specific concentration.) Recombinant protein encompassing a sequence within the center region of human IL3 Receptor beta. The exact sequence proprietary. Purification Purified by antigen-affinity chromatography. Conjugation Unconjugated For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal of human consumption.	Buffer	0.1M Tris-Glycine (pH7), 10% Glycerol
long-term storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles. Concentration 1 mg/ml (Please refer to the vial label for the specific concentration.) Immunogen Recombinant protein encompassing a sequence within the center region of human IL3 Receptor beta. The exact sequence proprietary. Purification Purified by antigen-affinity chromatography. Conjugation Unconjugated For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal of human consumption.	Preservative	0.01% Thimerosal
Immunogen Recombinant protein encompassing a sequence within the center region of human IL3 Receptor beta. The exact sequence proprietary. Purification Purified by antigen-affinity chromatography. Conjugation Unconjugated For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal of human consumption.	Storage	Store as concentrated solution. Centrifuge briefly prior to opening vial. For short-term storage (1-2 weeks), store at 4°C. For long-term storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles.
Purification Purified by antigen-affinity chromatography. Conjugation Unconjugated For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal of human consumption. Note	Concentration	1 mg/ml (Please refer to the vial label for the specific concentration.)
Conjugation Unconjugated For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal of human consumption. Note	Immunogen	Recombinant protein encompassing a sequence within the center region of human IL3 Receptor beta. The exact sequence is proprietary.
For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal of human consumption. Note	Purification	Purified by antigen-affinity chromatography.
human consumption. Note	Conjugation	Unconjugated
	Note	For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal or human consumption.
