

## Caspase-9 Inhibitor, Z-LE(OMe)HD(OMe)-FMK

## Cat. No. GTX47945

Package  
20 µl

## PRODUCT

**Summary** Cell permeable peptide inhibitor for Caspase 9

## Properties

<b>Form</b>	Liquid
<b>Buffer</b>	10mM DMSO
<b>Preservative</b>	No preservatives
<b>Storage</b>	Store at -20°C. Protect from light and moisture.
<b>Concentration</b>	10 mM (Please refer to the vial label for the specific concentration.)
<b>Purity</b>	>98% by HPLC
<b>Note</b>	For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal or human consumption. Purchasers shall not, and agree not to enable third parties to, analyze, copy, reverse engineer or otherwise attempt to determine the structure or sequence of the product.
