

## Human RPS3 protein, His tag

Cat. No. GTX67771-pro

|         |       |
|---------|-------|
| Species | Human |
|---------|-------|

Package

50 µg

## Applications

|                   |         |
|-------------------|---------|
| Observed MW (kDa) | 27 kDa. |
|-------------------|---------|

## Properties

|      |        |
|------|--------|
| Form | Liquid |
|------|--------|

|        |                                                  |
|--------|--------------------------------------------------|
| Buffer | 20mM Tris-HCl, 100mM NaCl, 10% Glycerol, 1mM DTT |
|--------|--------------------------------------------------|

|              |                  |
|--------------|------------------|
| Preservative | No preservatives |
|--------------|------------------|

|         |                                                                                                                                                                                                                            |
|---------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Storage | Store as concentrated solution. Centrifuge briefly prior to opening vial. For short-term storage (1-2 weeks), store at 4°C. For long-term storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles. |
|---------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|               |                                                                          |
|---------------|--------------------------------------------------------------------------|
| Concentration | 1 mg/ml (Please refer to the vial label for the specific concentration.) |
|---------------|--------------------------------------------------------------------------|

## Region/Sequence

Full length protein, N-terminal His-Tag; MGSSHHHHHH SSGLVPRGSH MAVQISKRRK FVADGIFKAE LNEFLTRELA

KKPLPDHVS IVEPKDEILPT TPISEQKGGK PEPPAMPQPV PTA

|                   |         |
|-------------------|---------|
| Expression System | E. coli |
|-------------------|---------|

|        |                    |
|--------|--------------------|
| Purity | > 90% by SDS-PAGE. |
|--------|--------------------|

|             |              |
|-------------|--------------|
| Conjugation | Unconjugated |
|-------------|--------------|

## Note

For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal or human consumption.

Purchasers shall not, and agree not to enable third parties to, analyze, copy, reverse engineer or otherwise attempt to determine the structure or sequence of the product.
