

## Human BAIAP2 protein, His tag

Cat. No. GTX68155-pro

|         |       |
|---------|-------|
| Species | Human |
|---------|-------|

|         |        |
|---------|--------|
| Package | 100 µg |
|---------|--------|

## Applications

|                   |         |
|-------------------|---------|
| Observed MW (kDa) | 61 kDa. |
|-------------------|---------|

## Properties

|      |        |
|------|--------|
| Form | Liquid |
|------|--------|

|        |                                                  |
|--------|--------------------------------------------------|
| Buffer | 20mM Tris-HCl, 100mM NaCl, 30% Glycerol, 1mM DTT |
|--------|--------------------------------------------------|

|              |                  |
|--------------|------------------|
| Preservative | No preservatives |
|--------------|------------------|

|         |                                                                                                                                                                                                                            |
|---------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Storage | Store as concentrated solution. Centrifuge briefly prior to opening vial. For short-term storage (1-2 weeks), store at 4°C. For long-term storage, aliquot and store at -20°C or below. Avoid multiple freeze-thaw cycles. |
|---------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|               |                                                                            |
|---------------|----------------------------------------------------------------------------|
| Concentration | 0.5 mg/ml (Please refer to the vial label for the specific concentration.) |
|---------------|----------------------------------------------------------------------------|
