

Pronase reagent (Ready-to-use)

Cat. No. GTX73181

Application IHC

Reference (1)

Package

100 ml

PRODUCT

Summary Pronase Reagent

APPLICATION

Application Note

For IHC: Use as antigen retriever for some antibodies in IHC. Reagent is supplied in ready-to-use format. Over-digestion may detach tissue sections from slides or may result in the loss of tissue morphology. It may be necessary to use + charge, sialanized or polylysine coated slides.

PROPERTIES

Form Liquid

Storage Keep as concentrated solution, aliquot and store at 4°C. DO NOT FREEZE.

Note For laboratory research use only. Not for any clinical, therapeutic, or diagnostic use in humans or animals. Not for animal or human consumption.

Purchasers shall not, and agree not to enable third parties to, analyze, copy, reverse engineer or otherwise attempt to determine the structure or sequence of the product.
